SHARM EL SHEIKH

## Garden Reef Resort Sharm El Sheikh

Incorporating a subtle blend of traditional Oriental hospitality and modern architecture, the Continental Garden Reef Resort Sharm El Sheikh aims to bring a new dimension of luxury and comfort to Sharm El Sheikh hotels.

A magnificent resort leaving nothing to be desired built in Andalusian and Moorish architectural style offering stunning views of the Red Sea and the renowned Sinai Mountains and one of the best diving and snorkelling areas in the world.

The hotel is superbly located in the spectacular El Pacha Bay, just in front of the famous Near/Middle and Far Garden diving sites, only minutes away from the International Airport and the walking promenade of Naama Bay.
